Preamble.

WHEREAS it is expedient to provide for the registration of powers of attorney: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited for all purposes as "The Powers of Attorney Ordinance, 1902," and shall come into operation on such date as the Governor, by Proclamation to be published in the *Government Gazette*, shall appoint.

Date of operation.

Interpretation clause.

2 For the purposes of this Ordinance, and unless there be anything in the subject or context repugnant to such construction—

“Power of attorney” shall include any written power or authority other than that given to a proctor or law agent, given by one person to another to perform any work, do any act, or carry on any trade or business, and executed before two witnesses, or executed before or attested by a notary public or by a justice of the peace, registrar, deputy registrar, or by any judge or magistrate, British consul or vice-consul or representative of His Majesty; and

“Attorney” shall include every person holding such power of attorney.

“Registrar-General” shall include an acting Registrar-General.

Power of attorney may be registered by the Registrar-General.

3 Any attorney desiring to have his power of attorney registered under this Ordinance shall be entitled to have the same so registered, and shall for that purpose produce the same to the Registrar-General, together with a copy thereof certified by a notary public to be a true copy, and shall make an affidavit to the effect that to the best of his knowledge and belief such power of attorney is genuine and still in force. And the Registrar-General shall file and register the power of attorney, and after satisfying himself of the correctness of such copy, shall endorse upon it and upon the power of attorney a certificate signed by him stating the fact of such registration and the date thereof, together with a reference to the volume and folio wherein such registration is recorded and the power of attorney is filed, and shall return such copy to the person producing the same. Such registration shall be recorded in a book to be kept in the form prescribed in schedule A hereto.

Registration to be recorded.

Cancellation or revocation may be notified to the Registrar-General and published.

4 In the event of the cancellation or revocation of any registered power of attorney, or where any attorney ceases to act under such power of attorney, the grantor or attorney, if desirous of having such cancellation or revocation registered, shall be entitled to have the same so registered, and shall for that purpose notify such cancellation or revocation to the Registrar-General, with an affidavit verifying such fact, and shall also cause publication of such notification to be made in the English language in the *Ceylon Government Gazette* and in three issues of at least three daily papers published in the English language in Colombo; but until such notification and publication the grantor shall be held liable and bound by all acts of his attorney.

Effect of non-notification.

Proviso.

Provided that nothing in this section shall be construed to affect any power of attorney which shall cease or become void by operation of law or to affect or prejudice the operation of any clause, proviso, or condition contained in any power of attorney dealing with or touching or requiring the giving of notice by the grantor or attorney to any person dealing with such attorney, and the effects and liabilities, if any, resulting from the failure to observe and carry out the provisions of such clause, proviso, or condition.

Registration of cancellation or revocation.

5 The Registrar-General shall register every notification of cancellation or revocation made to him under section 4, and endorse upon the power of attorney a certificate signed by him stating the fact of such cancellation or revocation and the date of such endorsement, with a reference to the volume and folio where such cancellation or revocation is recorded and the notification is filed. Such cancellation or revocation shall be recorded in a book to be kept in the form prescribed in schedule A hereto.

Registrar-General shall file documents.

6 The Registrar-General shall carefully file and preserve all powers of attorney and all notifications of cancellation or revocation received by him, together with the affidavits relating thereto, with convenient lists and indexes thereof.

Inspection of documents.

All such records shall be open to inspection of any person on an application in writing to be made by such person to the Registrar-General for that purpose.

Copies of registered powers of attorney.

7 The Registrar-General shall, at the request of any person applying in writing for the same, issue a copy, certified by him to be a true copy, of any power of attorney filed in his office under section 3. To such certified copy shall be added a certificate signed by the Registrar-General stating the date of registration of the power of attorney and by whom the power of attorney was produced for such registration, together with the date of registration of cancellation or revocation, if any, of the power of attorney, and by whom the notification of such cancellation or revocation was given.

Copies issued by Registrar-General to be received in evidence.

8 In any judicial proceeding every certified copy issued by the Registrar-General as provided in section 7 of this Ordinance shall be received as *prima facie* evidence of the execution by the person by whom it purports to have been executed of the original power of attorney and of the contents of such original power of attorney, notwithstanding that the original power of attorney be not produced, provided that if in any case such person denies the execution of such power, the certified copy thereof shall not be accepted as *prima facie* evidence of the execution of the original.

Fees.
