If a certificate of birth for a previous examination was sent in, reference may be made to it by mentioning name and date of examination. Affidavits will in no circumstances be accepted. In the case of candidates who submit certificates of registration in the register of past births, the certificates will only be accepted after consideration of the evidence by which the dates of birth were established. If the name appearing in the birth register differs, either by alteration or addition, from the name by which the candidate is known, the parent or guardian should, before obtaining a certificate, apply to the Registrar-General or his Assistant for such alteration in the manner set forth in section 7 of Ordinance No. 23 of 1900.

3. Clerks belonging to the Fourth Class of the Clerical Branch of the Public Service, who have completed three years' satisfactory service, and those employed by Provincial and District Road Committees, whose appointments date prior to July 1, 1875, are eligible for examination irrespective of age and without fee.
