ENTRANCE EXAMINATION FOR 1906-7.

ENTRANCE Examinations for admission to the English and Anglo-Vernacular classes will be held at the Training College, Colombo, commencing at 10.30 A.M. on Monday, October 9, 1905.

In order to gain admission to these examinations intending candidates must apply to the Principal of the Training College during the month of August for an admission form. A limited number of students may reside in the College on payment of the prescribed charge for board. Those who do not go into residence must live within a convenient distance of the College, and must be able to satisfy the Director of Public Instruction that their places of residence afford proper facilities for study and conditions for the maintenance of general good health.

Each selected candidate will be examined by the College Medical Officer, who must be able to report that the candidate is physically fit before taking up the course.

The following will be the subjects for the Entrance Examination :—

Those students who complete the course successfully will be awarded a second class certificate which entitles them to certain privileges as laid down in Articles 68, 69, and 70 of the Ceylon Code for Aided Schools, 1905. These Articles read as follows :—

“Students who have completed a two-years' course in the Government Training College, or any other Training College in Ceylon specially recognized by Government for that purpose, will, on passing the final examination of the Government Training College, receive a second class certificate, and will, after three successive years' satisfactory work in a Government or Grant-in-Aid English School (either in the same school or in another school under the same management), be entitled to a first class certificate. The percentage recognized for satisfactory work will be in the case of head teachers 60 per cent., in the case of assistant teachers 70 per cent. in the primary standards and 60 per cent. in the middle standards. Applications for first class certificates shall in every case be accompanied by a report from the manager on the teacher's conduct and his success in maintaining discipline.

“69. A first class certificate will entitle its holder to receive from Government a result payment, equal to one-third of his annual salary, if the following percentage of passes have been obtained :—

“Assistant teachers in Standards VI. to VIII., 65 per cent.

“70. In schools exempted from individual examination the Director will decide whether the teacher's work has been satisfactory, and whether it qualifies him for result payment after a consideration of a special report made by the Inspector.”

The students in this department are trained for masterships in Government English schools. Six studentships are open for competition, and other considerations being equal, preference will be given to candidates who are already in the service of Government as Anglo-Vernacular teachers, and who are under 30 years of age.

Anglo-Vernacular students will receive free board and lodging at the Training College during session, but no pay or allowance. Text-books will be provided. The period of training will extend over two years, and at the end of this period those who pass the final examination will receive certificates of the second or third class in accordance with their performance in the examination, and will be eligible for appointments in Government English schools. When serving as assistants they will be paid according to the scale of salaries assigned to third and second class masters in English schools in clause 8 of the Departmental Code, viz., Third Class, Rs. 480 and Second Class Rs. 600 ; when appointed to Head teacherships they will be eligible for salaries at the following rates, viz., Third Class, Rs. 600 ; Second Class, Rs. 900 ; First Class, Rs. 1,200.
