The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend "The Local Boards' Ordinance, 1898."

Preamble.

WHEREAS it is expedient to amend "The Local Boards' Ordinance, 1898" (hereinafter called "the principal Ordinance"), in certain particulars: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Local Boards' (Amendment) Ordinance, 1905," and this Ordinance and the principal Ordinance and Ordinance No. 2 of 1901 shall be read and construed as one, and may be cited collectively as "The Local Boards' Ordinances, 1898 to 1905."

Additional section with regard to sale of immovable property for non-payment of rates.

2 After section 34 of the principal Ordinance there shall be inserted the following section, which shall be numbered 34 A, namely:

34 A. Provided, however, that the sale of land or immovable property which has been seized for the recovery of rates shall be carried out in accordance with the following provisions, namely:

(1) The land or immovable property seized shall be sold by public auction (of which at least fourteen days' notice shall be given in the *Government Gazette*) by the person authorized to sell the same at any time after the date of seizure, unless in the meantime the amount owing in respect of the rate, together with the lawful costs of seizure and sale, are duly paid; and the overplus, if any, accruing by such sale, after deducting the amount of such rate and costs, shall be restored to the owner of the property sold.

Certificate of sale.

(2) If land or other immovable property be sold under the warrant a certificate under the hand of the government agent or assistant government agent in the form in schedule F annexed to "The Municipal Councils' Ordinance, 1887," *mutatis mutandis*, shall be sufficient to vest the property in the purchaser free from all encumbrances. Such certificate shall be liable to the stamp duty leviable on conveyances of immovable property and to any registration or other charges authorized by law, such duty and charges being payable by the purchaser.

Proviso.

Provided, however, that it shall be lawful for a mortgagee of such land or immovable property to pay and discharge the amount of rate or tax and costs due under and by virtue of such warrant, and upon such payment and discharge he shall be entitled to add such amount to the sum due upon his mortgage, and the amount so added shall be secured by the mortgage held by him.

Local board may purchase land sold for non-payment of rate or tax due.

(3) Whenever land or immovable property is sold under this section, it shall be lawful for the government agent or the assistant government agent or any person authorized by him in that behalf to bid at the sale for such land or other immovable property, and to purchase the same for and on behalf of the local board.

Local board may take credit to extent of rate or tax and costs due.

(4) Whenever the local board purchases any such land or other immovable property, the local board shall not be required to pay the whole of the purchase money, but shall be entitled to take credit for the amount due under such warrant as aforesaid, and shall only be required to pay the balance, if any, to the owner or person entitled to the property sold after deducting such amount, and the government agent or assistant government agent or person authorized by him is hereby empowered to retain on behalf of the local board the amount due under the warrant.

Proviso.

Provided always that in the event of any land or other immovable property sold under this section realizing a less amount than that due to the local board, nothing herein contained shall preclude the said local board from recovering the balance of any amount which may be due to them after deducting the purchase money realized by the sale of the land or other immovable property.

Form of conveyance to the local board.

(5) Whenever land or other immovable property is purchased by the local board under the provisions of this section, a certificate under the hand of the government agent or assistant government agent in the Form G contained in the schedule annexed to "The Municipal Councils' Ordinance, 1887," *mutatis mutandis*, shall vest the property sold absolutely in the local board free from all encumbrances; and such certificate shall be received in the courts of justice of this colony as conclusive evidence of the title of the local board to such land or other immovable property. And such certificate shall not be liable to the stamp duty and charges payable under sub-section (2) of this section.

Local board may sell property vested in them.

(6) It shall be lawful to the local board, for valuable consideration, to sell and convey to any person or corporation any land or other immovable property vested in them under the last preceding sub-section.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, June 12, 1905.

A. M. ASHMORE,
Colonial Secretary.

Statement of Objects and Reasons.

THE purpose of the Draft Ordinance is to confer upon Local Boards a power, similar to that possessed by Municipal Councils, of buying in land which has been seized and offered for sale for recovery of rates.

2. The procedure of the Draft Ordinance is borrowed with slight alteration from that prescribed by "The Municipal Councils' Ordinance, 1887."

After providing for the advertisement of the sale and for the vesting of the property, when sold, in the purchaser by means of a certificate of sale, the Ordinance empowers the Government Agent to bid at sales and purchase immovable property on behalf of the Local Board.

3. Where property is purchased on behalf of the Local Board, provision is made for credit being given to the owner for the amount due under the warrant.

4. The last sub-section enables Local Boards to sell or convey for valuable consideration property purchased under the Ordinance.

Colombo, June 9, 1905.

ALFRED G. LASCELLES,
Attorney-General.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to repeal Ordinance No. 1 of 1870, intituled "An Ordinance relating to the Fixed Civil Establishments of the Colony," and Ordinance No. 8 of 1872, intituled "An Ordinance for amending the Ordinance No. 1 of 1870."

Preamble.

WHEREAS it is expedient to repeal Ordinance No. 1 of 1870, intituled "An Ordinance relating to the Fixed Civil Establishments of the Colony," and Ordinance No. 8 of 1872, intituled "An Ordinance for amending the Ordinance No. 1 of 1870:" Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Repeal of Ordinances No. 1 of 1870 and No. 8 of 1872.

1 Ordinance No. 1 of 1870, intituled "An Ordinance relating to the Fixed Civil Establishments of the Colony," and Ordinance No. 8 of 1872, intituled "An Ordinance for amending the Ordinance No. 1 of 1870," are hereby repealed.

Saving of Governor's power to authorize payment of pensions, &c.

2 Notwithstanding the repeal of the above-mentioned Ordinances, it shall be lawful for the Governor to issue his warrant for the payment of the several pensions, retired allowances, and gratuities which have been already granted or which may hereafter be granted in conformity with the provisions contained in the minutes of Government relating thereto now in force, or which may hereafter be made and issued.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, June 16, 1905.

A. M. ASHMORE,
Colonial Secretary.

Objects and Reasons.

THE repeal of Ordinance No. 1 of 1872 was recommended by the Sub-Committee of the Legislative Council on the Supply Bill of the current year on the ground that, owing to the changes which have occurred in the Civil Establishment of the Colony since the enactment of the Ordinance, the Ordinance has become useless and productive of confusion and misunderstanding in the Estimates.

2. The Draft Ordinance repeals the Ordinance No. 1 of 1870 and the amending Ordinance No. 8 of 1872.

3. Section 2 of the Draft Ordinance reproduces section 6 of Ordinance No. 1 of 1870, authorizing the Governor to direct the payment of present and future pensions.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to further amend the Law relating to General Regulation of Customs.

Preamble.

WHEREAS it is expedient to further amend in certain particulars the Ordinances relating to the General Regulation of Customs: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Customs Duties Amendment Ordinance, 1905," and this Ordinance and "The Customs Duties Ordinances, 1869 to 1904," shall be read and construed as one Ordinance, and may be cited together as "The Customs Duties Ordinances, 1869 to 1905."

Substitution of new section for section 3 of Ordinance No. 9 of 1904."

2 For section 3 of "The Customs Duties Amendment Ordinance, 1904," there shall be substituted the following section, namely:

In Schedule D of "The Customs Duties Amendment Ordinance, 1903," the following words shall be added after the words "If exceeding 288 hours to pay the same rate outwards as paid inwards," namely:

Provided that buoy rent shall not be payable—

(a) In respect of any time beyond the said period during which a sailing vessel has stayed in port for repairs, or because she was unable to put to sea without risk, if the master attendant is satisfied that such stay was necessary and was not unduly prolonged; or

(b) In respect of any time during which a vessel is on the slips or in dry dock; or

(c) In respect of any time during which any vessel is kept in port as a reserve vessel to maintain the regularity of the mail service or for other important public service.

The Governor shall from time to time, by notification in the *Government Gazette*, declare the vessels which are entitled under this sub-section to be exempted as reserve vessels from buoy rent.

Amendment of tariff of import duties as regards perfumery.

3 In Schedule B annexed to "The Customs Duties Amendment Ordinance, 1903," there shall be substituted for the words "Perfumery or spirits imported as perfumery per gallon Rs. 7" the following words, namely:

	Rs. c.
On perfumed spirits and bay rum a duty per gallon of	7 0
On perfumery other than perfumed spirits, for every Rs. 100 of the value thereof a duty of ...	5 50

By His Excellency's command,

Colonial Secretary's Office,
Colombo, June 16, 1905.

A. M. ASHMORE,
Colonial Secretary.

Statement of Objects and Reasons.

1. "The Customs Duties Amendment Ordinance, 1904," provided for the charge of a buoy rent on all vessels staying in Colombo Harbour for more than 288 hours, sailing vessels staying in harbour for repairs or under stress of weather being exempted from the charge.

2. The Draft Ordinance extends the exemption from buoy rent to vessels on the slip or in dry dock, and also to vessels kept as reserve vessels to maintain the regularity of the mail service or for other important public duty.

3. The Draft Ordinance further introduces a slight alteration in the import duty charged on perfumery and perfumed spirits, whilst perfumery not containing spirit is admitted on payment of the ordinary *ad valorem* $5\frac{1}{2}$ per cent. duty; the duty of Rs. 7 per gallon which Ordinance No. 2 of 1903 imposed on all perfumery is retained in the case of perfumed spirits and bay rum.
