Regulations referred to.

Regulations framed under Sections 4 and 5 of Ordinance No. 10 of 1898, regarding the Sale or Transfer of Cattle.

1. It shall not be lawful to transfer any head of cattle except upon a certificate in the Form A in the schedule annexed to Ordinance No. 10 of 1898, issued and signed by an officer authorized by the Government Agent to issue such certificates for the district in which the animal is transferred.

2. It shall not be lawful to acquire a head of cattle from any person in any way, except by inheritance, unless the recipient receives with the animal the certificate alluded to in clause 1.

3. The Government Agent shall appoint certain officers authorized to issue certificates subject to the regulations hereinafter laid down. Books of certificates in the authorized form shall be issued to all such officers. Such books, to be in duplicate, the original to be kept and returned to the Kachcheri when the book is finished, or on demand by the Government Agent ; the duplicate to be given to the purchaser or donee.

4. It shall be lawful for the Government Agent to appoint also a limited number of special officers, not lower in rank than a Vidane Arachchi, Korala, or Udaiyar, to issue certificates, and to relieve them from the necessity of complying with such of the regulations with reference to the issue of certificates as may appear to the Government Agent to be desirable.

5. It shall be an offence for any one who has not been duly authorized to issue a certificate, or for any one to alter, add to, deface, destroy, or in any way tamper with a certificate.

6. If a head of cattle acquired on a certificate dies, is lost, or disappears, it shall be the duty of the owner to return the certificate either to an officer appointed to issue certificates for the district or to the Kachcheri, such return to be

made within ten days of the animal's death or one month of its loss or disappearance. When cattle are slaughtered within the limits of a Municipality or Local Board, the certificate must be given to the slaughter-housekeeper; if without such limits, to such person as may be nominated by the Government Agent.

7. All certificates now in the possession of private persons, for which they have not got cattle, must within three months from the date of the publication of these regulations be returned to the Kachcheri or an officer authorized to issue certificates as described above. After that date it shall be an offence for any one to possess a cattle certificate for which he has not got the corresponding head of cattle.

8. Within six months of the passing of these regulations it shall be the duty of all persons who are in possession of acquired cattle (that is, not born in the owner's possession or obtained by inheritance) for which the owners hold no certificates to produce them before an officer appointed by the Government Agent, who, if satisfied that the animal has been lawfully acquired, shall issue a certificate, and if not satisfied shall refer the matter for final decision to the Government Agent, who shall order either that a certificate shall issue or that the animal shall be sold by auction and the proceeds paid to the Communal or Local Board funds, if a Gansabhawa or Local Board has jurisdiction over the district where the animal has been kept, or to the credit of Government if there is no Gansabhawa or Local Board.

9. It shall be the duty of all headmen to seize all stray cattle, those with altered or defaced brandmarks, and cattle (other than those born in the owner's possession or obtained by inheritance) that may be reasonably supposed to have been acquired without a proper certificate, and to produce them before the President of the Gansabhawa, if there is one having jurisdiction over the district, or before the Chief Headman, if there is no Gansabhawa. Such President or Chief Headman shall inquire into the title of any one who claims the animal, and if satisfied that it has been lawfully obtained, shall issue a certificate; if not so satisfied, shall refer the matter to the Government Agent, whose decision shall be final. If the Government Agent is not satisfied that the claimant has established his title, the animal shall be sold and the proceeds dealt with as laid down in regulation 8.

10. When an animal is sold as directed in the foregoing regulations by the President of a Village Tribunal or a Chief Headman, a special brand selected by the Government Agent shall be put on the animal, and a certificate signed by the President or a Chief Headman, as the Government Agent may direct, shall be issued to the purchaser.

11. When cattle are imported it shall be the duty of the importer to obtain from an officer appointed by the Government Agent a certificate for each animal imported. Such certificate shall be issued on payment of a fee of 25 cents, and shall be in the form A annexed to Ordinance No. 10 of 1898. In filling in the certificate the words "imported animal" should be entered under column 2 instead of the name and residence of the seller or donor. Under column 9, instead of the signature of the seller or donor the date of landing and the port where landed should be entered.

12. Duplicates of certificates certified to be correct by the Government Agent or his Assistant shall have the validity of the certificates themselves, and shall be issued only to the persons to whom the originals were issued, or their representatives, on proving satisfactorily that the originals were lost or stolen.

13. The following are the regulations to be observed by headmen in issuing certificates:—

- (1) No cattle certificate shall be executed by any headmen in any case—
 - (a) In which the animal is not produced before him.
 - (b) In which the vendor and vendee or donor and donee, with their witnesses, are not before him.
 - (c) In which the owner is a minor or a person of unsound mind. (In every such case the parties shall be referred to the chief headmen of the district.)
 - (d) In which he has any reasonable doubt that the vendor is the *bona fide* owner; if he is not satisfied, the matter shall be referred to the President or Chairman of the Village Committee of his district for adjudication, and such officer if satisfied shall issue a certificate. In districts in which there is no President or Chairman of Committee, the matter shall be referred to the Mudaliyar or Chief Headmen of the Headman's division. Sales of cattle belonging to the Headman who issues certificates shall be made on vouchers executed by the adjoining Headman.
 - (e) In which the certificate in favour of the seller is not produced for the animal (unless it has been born in the seller's possession or acquired by him by inheritance).

- (f) In which the description and brandmarks of the animal do not agree with the certificate produced.
- (g) In which the vendor produces no certificate, and is not a resident of the district for which the officer has been authorized to issue certificates.

(2) The previous sale certificates, on the strength of which a sale is effected, shall be surrendered to the executing headman, and shall be attached by him to the counterfoil of the certificate issued.

(3) Before issue of sale certificates for animals acquired by inheritance the headman must satisfy himself by personal inquiry that the animals have been so inherited, and must enter in the certificate and counterfoil the name of the deceased owner and his relationship to the vendor.

(4) When an owner wishes to remove an animal born in his possession or acquired by inheritance, in order to sell it at some place beyond the jurisdiction of the officer appointed to issue certificates for the district, he shall obtain from such officer an ordinary sale certificate in Form A in the schedule attached to Ordinance No. 10 of 1898, in which the following alterations shall be made :—

Under column 2 shall be entered, "Removed for sale by owner."

Under column 3 the name and residence of the owner shall be entered.

The signature of the owner shall be taken both under column 9 and under column 10.

(5) More than one head of cattle shall not be transferred on one certificate, except in the case of a cow with an unbranded calf below the age of twelve months. In such case the colour, age, sex, and other distinguishing marks on the calf should be inserted in the certificate.

Permits of Removal.

14. It shall not be lawful for any one to remove an acquired animal (that is, an animal not born in the owner's possession or obtained by inheritance) to any place beyond the jurisdiction of the officer appointed by the Government Agent to issue certificates for the district in which the animal is kept, unless the person so removing has with him the certificate issued to the owner of the animal. If the animal does not belong to the person so removing, he must have in addition a written pass signed by the owner, stating where the animal is going to and for what purpose it is being removed.

15. If the animal be a pinfold one (that is, born in the owner's possession or obtained by inheritance), the person removing the animal shall have with him either a permit for removal in Form B in schedule annexed to Ordinance No. 10 of 1898, or a certificate similar to that described in regulation 13 (4).

The fees payable to officers authorized to issue vouchers shall be as follows :—

For a voucher of transfer	50 cents
For a voucher of ownership	25 "
For a permit of removal	25 "
