(c) The government agent may exercise both the said liberties of re-selling or re-entering upon the said exclusive right in such manner as he may think fit—

29. The government agent shall give fourteen days' notice in writing to the renter in the form marked A in the schedule hereto, and upon the expiry of such notice it shall be lawful for the government agent, without process of law or decree or order of any court in that behalf authorizing him, forthwith to re-sell the said exclusive right or the unexpired term thereof in such manner as the Governor may direct, or to re-enter into possession thereof and receive, retain, and enjoy the same, or after such re-entry at such time or times as to the said government agent shall seem fit to re-sell the unexpired term of the said exclusive right; provided always that in the event of the re-sale of the exclusive right or so much of the term thereof as may be unexpired under the provisions of this Ordinance no bidder shall attend at such re-sale, or the government agent shall in his discretion refuse to accept any of the bids made at such re-sale, it shall be lawful for the said government agent forthwith to re-enter into possession of the said exclusive right and collect the tolls in aumany until the expiry of the period for which the said exclusive right was purchased, or until such time as he may effect a re-sale of the unexpired period of the said exclusive right.

30 Every notice in writing issued under the provisions of this Ordinance may be given by forwarding it by post in a registered letter addressed to the renter at the place which the renter in pursuance of the conditions of sale has specified for the service on him of notices or processes, or by serving the same on him personally, or by affixing it on his last known place of residence.

31. There shall be repealed as and from the passing of this Ordinance so much of Ordinance No. 4 of 1904, intituled "An Ordinance for the better enforcement of certain conditions in the Sales of Tolls, Arrack Rents, and Opium Licenses," as relates to toll.

SCHEDULE.

Form A.

I, _____ (Government Agent), hereby give you _____ notice that as you are in default in the payment of your _____ instalment of the Toll Rent at _____ by the amount of Rs. _____, I have advertised the re-sale of the said rent in terms of your bond of the _____ day of _____ and the conditions of sale of the _____ day of _____ thereto annexed, and shall, unless you shall have paid on or before the _____ day of _____ the balance of the instalment of rent aforesaid, together with any other instalment which may then be due, either sell the said rent at your risk on the _____ day of _____ as advertised, or re-enter into possession of the said rent and collect the tolls in aumany until the expiry of the period for which you purchased the said exclusive privilege or for such time as I may consider necessary, and in such latter case I may at any time during the unexpired portion of the period for which you purchased the said rent in terms of your bond of the _____ day of _____ and the conditions of sale thereto annexed re-sell the unexpired residue of the said period, holding you responsible for the instalments of rent due from you in respect of the toll up to the date of such re-entry.

Dated this _____ day of _____, 190

Signed: _____

Statement of Objects and Reasons.

By section 2 of this Ordinance the protection extended to toll renters by section 22 of the principal Ordinance is extended to canals, lakes, estuaries, creeks, inlets of the sea, or any expanse of water.

Section 3 enables toll to be charged on foot passengers in cases where a bridge for foot passengers is erected in lieu of or in addition to any ferry for foot passengers, and will not affect the free passage of foot passengers across bridges constructed for cart and general traffic.

Section 4 removes doubts as to whether the exception in favour of vehicles, &c., employed in the construction and repair of a railway was included under the term "road."

Section 5 puts tolls on carts, &c., going out empty and returning loaded in one day on the same footing as carts, &c., going out loaded and returning empty in one day. Under the provisions of the principal Ordinance a cart, &c., going out empty and returning loaded on the same day had to pay toll both ways, whereas a cart going out loaded and returning empty had to pay toll for the outward journey only. The amendment affects only the last proviso to section 14 of the Ordinance No. 3 of 1876, the rest of that section being re-enacted in full.

Section 6 provides for a toll-keeper keeping a light at his toll bar during night time.

Section 7 fixes the toll for motor-cars and motor-cycles.

Section 8 provides an entirely new chapter for the enforcement of the conditions of sale on breach by the renter, based on the provisions of Ordinance No. 4 of 1904, which is repealed so far as tolls are concerned.
