IN accordance with the requirements of section 8 of the Opium Ordinance, No. 5 of 1899, and section 2 of Ordinance No. 14 of 1903, I do hereby give notice that the licenses for the sale by retail of opium within the town of Puttalam for the year 1906, commencing on January 1, will be one in number. Tenders will be received by me for the sale of the said license at the Puttalam Kachcheri on November 28, 1905, at 1 o'clock p.m.; and if tenders are not satisfactory the said license will be sold immediately by public auction.

Local Board Office,  
Puttalam, November 7, 1905.

F. BOWES,  
Chairman, Local Board.

### Conditions subject to which Retail Licenses are issued.

1. The purchaser of a license to sell opium by retail shall, immediately on his being declared by the proper authority to be the purchaser, pay in cash one-third of his bid or tender, which sum shall be held by the proper authority as security, but cannot be used for payment of any of the instalments of the amount of the bid or tender, except those for the last four months. He shall pay the amount of the bid or tender, in twelve equal monthly instalments on the last day of every month during the currency of his rent, the first instalment to be paid on January 31, 1906, and shall pay interest at 9 per cent. per annum for every day for which an instalment is in arrear. The security money may be, at the request of the purchaser, placed in fixed deposit at any bank to be selected by him, and shall be at the risk of the purchaser. Should any instalment not be paid on the due date the proper authority may resell the license, or so much of the term thereof as may be unexpired, at the risk of the purchaser.
2. The store or premises hereby licensed must be fully described in the body of this license, which shall apply to the premises so described and nothing more.
3. The premises hereby licensed shall not have internal communication with any other buildings or premises.
4. The premises hereby licensed shall be kept clean and in good sanitary condition.
5. It shall be the duty of the person in charge of the premises hereby licensed to open them for inspection on the demand of any person appointed an Inspector by the proper authority in writing, or of any police officer not below the rank of Inspector. The person in charge shall also be bound to produce all books, documents, or accounts with reference to the receipt or disposal of opium which he has in his possession, and to weigh, if specially called on to do so in the presence of the Inspector or Police Officer, all opium in stock or on the premises at the time of the inspection; he shall also explain to the best of his ability any discrepancy that may be found to exist between the quantity of opium in stock and the quantity which, according to the books, ought to be in stock at the time of inspection.
6. No opium shall be consumed on the premises hereby licensed.
7. No opium kept on the premises hereby licensed shall be adulterated or deteriorated in any way.
8. No disorderly conduct shall be permitted on the premises hereby licensed.
9. No opium shall be delivered on the premises hereby licensed to any person who is under the influence of liquor or opium, or who is apparently under the age of fifteen years.
10. No opium shall be delivered on, or from, or received into, the premises hereby licensed between the hours of eight at night and six in the morning.
11. There shall be kept on the premises hereby licensed a bound Stock Book with numbered pages. A copy of such book for the premises hereby licensed will be delivered free by the proper authority to the licensee when he takes out his license. If a new book is required, it must be purchased by the licensee from the proper authority, to whom the previous book must be delivered.
12. It shall be duty of the licensee to see that all receipts and disposals of opium are regularly entered in the Stock Book immediately the transaction takes place, all the columns in the book being correctly filled in and the quantity in stock at the beginning and end of the day being clearly shown.
13. It shall also be the duty of licensee to see that on or before the second of each month there is transmitted to the Inspector-General of Police a correct copy of the Stock Book and a correct copy of the book required to be kept under condition No. 20.
14. It shall be the duty of the Inspector-General of Police to issue to the licensee a receipt for such correct copies when they have been received. In the event of the licensee not receiving such receipt within a week of his posting the correct copies, it shall be his duty to communicate with the Inspector-General of Police and ascertain whether such correct copies have been received, and if they have miscarried to supply duplicates.

15. It shall be the duty of the licensee, before he receives his license, to submit to the proper authority a list giving the names of the persons whom he proposes to employ on the premises hereby licensed. Such statement shall contain the full name and description of each employé, and specify the nature of the work which he is to perform. All such persons must be over the age of twenty-one years, and the proper authority must be satisfied that they are of good character. No person whose name has not been endorsed on this license by the proper authority shall be employed by the licensee to take charge of, receive, or sell opium on his account, and the licensee shall not permit any one whose name is not so endorsed to perform any of the above duties.

16. The licensee may from time to time apply to the proper authority to make such alterations as seem desirable in the list of persons employed; such alterations shall be endorsed on this license, and the licensee on receiving a notice from the proper authority to remove any person employed on the premises hereby licensed shall within one week of his receiving such notice produce this license to the proper authority so that the name of such employé may be erased from this license. Such person shall then be disqualified for employment in the premises hereby licensed.

17. It shall be the duty of the licensee to see that a board having the number of this license, the name of the licensee, and the words "Licensed to Sell Opium by Retail," legibly painted upon it, is kept affixed to some conspicuous part of the premises hereby licensed.

18. No business or occupation except the sale of opium or cigars shall be carried on in the premises hereby licensed.

19. No opium shall be sold except for cash paid on the spot.

20. It shall be the duty of the licensee to make an entry in a book to be kept for that purpose, giving the full name and address of the purchaser and giving the quantity sold to him, and the date of sale, whenever opium exceeding 4 drams in weight is sold at any one time.

21. The licensee shall keep on the premises hereby licensed and have available for use at all times a true set of scales and the following standard weights:—
